Summer Academic Enrichment 2019 - 2020

The summer academic enrichment reading and math assignments are designed to prepare scholars for the work that lies ahead at the next grade level. It is important that scholars complete the assigned reading and math packet by Monday, August 12. There will be an assessment over the reading and math packet within the first two weeks of school. If there are any issues with purchasing the novels please contact us at 317-550-3363.

Math	Novels
6th Grade: Math Skills Enrichment Packet <i>46 questions</i>	6th Grade: <u>A Wrinkle in Time</u> <i>by Madeline L'Engle</i>
